It is Africa re-imagined, immersing you into an environment that feels familiar, yet different, where the imperfections of the natural world meet the knowledge and care of all those that are intimately connected to Mokuti Etosha.

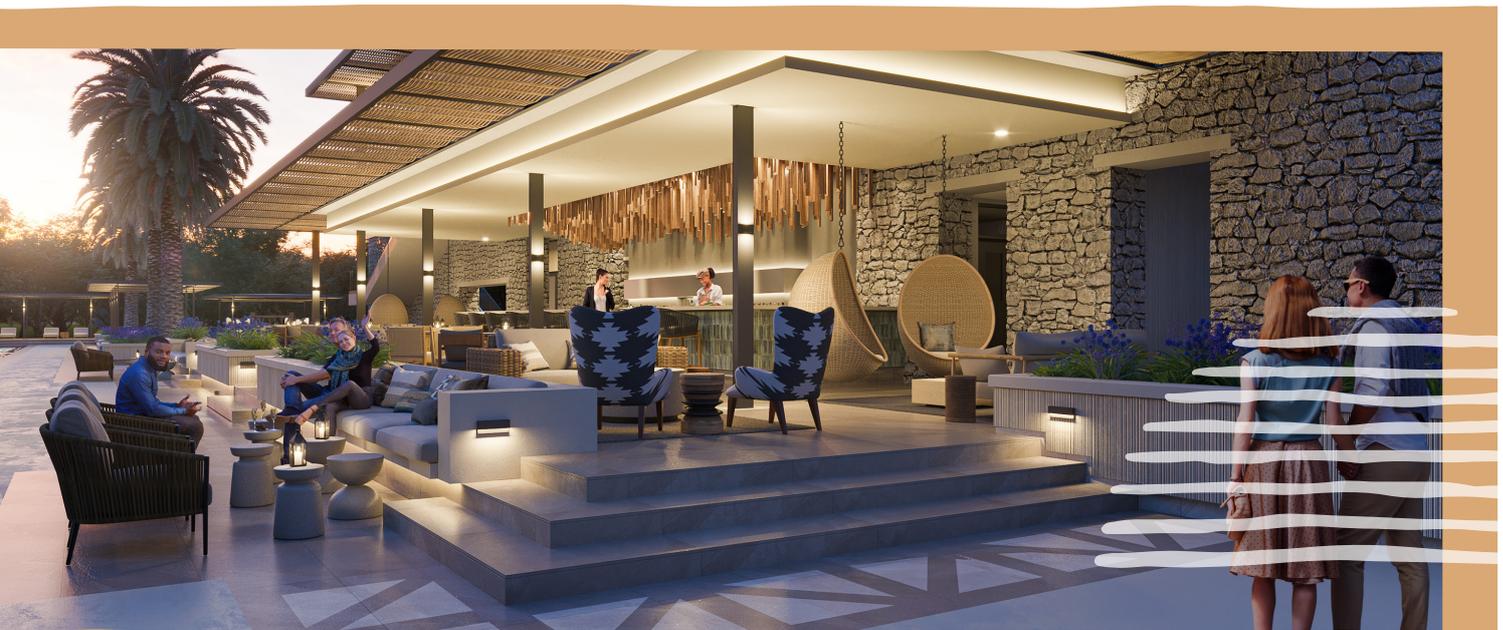

The O&L purpose of creating a future, enhancing life is evident in everything at Mokuti Etosha – trickling down from the employee service to the customer experience and community involvement. As you discover Africa re-imagined, your world will open to new happenings designed to heighten your senses, rejuvenate your soul and ultimately enrich your life.

The food is a true culinary masterpiece, with live cooking stations, a charcoal oven, a barista station, and a Josper oven – presenting you with carefully crafted quality food, pure and organic.

You can also take a thrilling game drive in Etosha, go on a bushwalk with our indigenous Hai//om bushmen, or watch the sunset on a sundowner trip.

For the ultimate indulgence, visit the Omulilo Spa centre, or challenge yourself on our self-guided walking trails and tennis courts. Our attentive and caring colleagues will go above and beyond to make your stay one to remember.

The gates to our paradise of wild wonders officially open on the 5th of March 2023, and we cannot wait to welcome you to Mokuti Etosha - an experience of a lifetime where Africa has been re-imagined.
